

# 2024 Pain Care Skills Training

## Battlefield Acupuncture Instructor Training Virtual Presented by the Acupuncture & Integrative Medicine Center

Dr. Sally Hayes & Dr. Richard Niemtzw

Offered: August 15, 2024

Time: 1300-1500

Location: ZoomGov

**Course Description:** This course provides Battlefield Acupuncture (BFA) certified providers with a unified approach to becoming BFA-Instructors and teaching the Acupuncture & Integrative Medicine (AIM) Center BFA course to providers, nurses, and technicians. This course describes the hybrid training process for the basic BFA course which includes computer-based training on RELIAS and a Hands-on Training session.

An overview and best practices for the 2-hour BFA Hands on Course is presented. The management of poor performance and other training challenges are discussed.

### **Learning Objectives:**

- 1) Acquire expertise in presenting the Battlefield Acupuncture course
- 2) Understand the BFA course as tracked within the RELIAS
- 3) Understand the key principles in teaching large & small BFA classes
- 4) Appropriate management of poorly performing trainees
