### *Instructions for Activity Participants*

*This document contains bookmarks. Please select the ribbon icon  from the left to open the bookmarks to quickly navigate between sections.*

**IMPORTANT, PLEASE READ:** The CE website is Common Access Card (CAC) enabled. All new users are required to associate their account with their CAC. Previously existing accounts may use their Login ID and password but are encouraged to update their profiles to include the EPIDN (DOD ID) as this enables several useful features. For instructions on how to update your profile [CLICK HERE](#). Learners without a CAC card can be registered for an activity with the assistance of the CE Planner.

The Navy's accrediting bodies for continuing education (CE) of healthcare professions require all attendees to be registered for an activity regardless of profession. To this end, ALL attendees of an NML&PDC approved CE event, regardless of discipline, must be registered. All attendees are eligible to register for CE including military, government civilians, contractors, civilian community attendees, and all other learners. When the course is completed, attendees must return to this website and complete an evaluation form and request for credit validation before the CE certificate may be printed.

You may register for multiple activities. Note: for Regularly Scheduled Series (RSS) such as Grand Rounds or Journal Club, you will need to register only once (per activity per fiscal year) and your registration will carry you through the end of the RSS cycle which is typically 30 September.

The CE website is located at: <https://education.mods.army.mil/NavyCME/Default.aspx>  
The screen displayed below contains what is referred to as "Portals". The portal used to login dictates how you will interact with the system and impacts the screens and menus available to you.

## Registering for an Educational Activity:

Learners may only register for activities **BEFORE 2359** of the last day of the course. Once the course concludes, the system automatically removes the activity from the 'list of activities' available for registration. Post activity registration is at the discretion of the CE Planner. NML&PDC will not add participants to course rosters.

1. From a government networked computer that has Internet access, connect to: <https://education.mods.army.mil/NavyCME/Default.aspx> and then click on the **Registration** portal.

### Naval Medical Leader & Professional Development Command REQUEST FOR CME CREDITS

If you are not sure how many hours you attended for this activity, please contact the planner at [christine.h.nguyen4.civ@mail.mil](mailto:christine.h.nguyen4.civ@mail.mil) or 7036817647

Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

If you served as a faculty for this activity, you may not claim teaching credits here. Subtract the total time you spent teaching from the maximum credit and claim only the number of credits (in quarter increments) spent as a learner.

I attest that I have participated in the activity entitled Navy Medicine Lean Six Sigma LSS Green Belt Course (Interprofessional, CDE) on 2/26/2018 - 3/2/2018 and that I claim  credits up to the maximum allowable of 31.25.

- The next screen will display instructions for printing/downloading your certificate. Click the blue “Click here to receive your certificate” hyperlink and your certificate will open in a new browser tab. The simplest method to save or print is to enter “CTRL + P” on your keyboard. You can then send the certificate to the printer of your choice, or “Save as PDF” and save it on your computer.

Instructions for printing/downloading your certificate:

When you click the link below to **receive your certificate**, it will pop up on a separate web page. If you have printer access, you may print it now. When you are finished, close the certificate page and back out of the website.

**If you want to save your certificate**, click the link below to receive your certificate, it will pop up on a separate web page, click the File menu at the top of your internet browser and click the Save As menu item. A "Save Web Page" Dialog Box will open. Choose appropriate path on your computer where you want to save the certificate page. When you are finished, close the certificate page and back out of the website.

**If you want to email your certificate**, click the link below to receive your certificate, it will pop up on a separate web page, click the File menu at the top of your internet browser and click Send, then click Page By Email. This will open your Outlook email screen (wait a few seconds for the certificate to appear on the screen). Enter the email address and send. When you are finished, close the certificate page and back out of the website.
