

Continuing Medical Education Course Handout for

2026 In-Person Combined Pain Care Skills & SUD Training (Interprofessional, CDE)

Tuesday, August 18, 2026 - Wednesday, August 19, 2026
Washington DC, Washington, DC

Provided By
NMLPDC

Activity ID	Course Director	CME Planner
2026-0378	Christopher Spevak	Carla Labuguen

Accreditation Statement

The Naval Medical Leader & Professional Development Command (NMLPDC), Continuing Medical Education (CME) Department, Bethesda, Maryland is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for Physicians.

Credit Designation

The Naval Medical Leader & Professional Development Command designates this Live Activity for a maximum of 16 *AMA PRA Category 1 Credit(s)*.TM Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Statement of Need/Gap Analysis

The purpose of this CME activity is to address the identified gap(s):

1. Train learners in current knowledge and research on pain management and substance use disorder treatment.
2. Patient are not getting access to all available treatment due to lack of knowledge or skills to help treat.

Learning Objectives

1. Learners will discuss and evaluate emerging research related to Pain Management including other alternative modalities.
2. Learners will describe specific ways to treat active-duty patient pain issues and the ways they differ from general population pain issues.
3. Learners will discuss the opioid epidemic as it applies to pain management treatments, addiction problems, and forms of pain management other than narcotics.
4. Learners will discuss emerging strategies to decrease the likelihood of opioid dependence for chronic pain issues and increase the overall functionality of patients.
5. Learners will discuss and demonstrate multimodal approaches to pain management employing a variety of techniques and treatments that military healthcare is dedicated to embedding into all MTFs.
6. Learners will use the knowledge learned to see how to increase the overall functionality of the patient and real standards the patient can live with in regards to level of pain.

Target Audience

The intended audience for this Pain Care Skills & SUD Training is focused toward PCMs, Residents and Fellows. However, it is also our goal to include educating PAs, Nurses, occupational therapist and social workers/case managers and specialty providers that deal with pain (PT, rehabilitation, neurologist, psychologist, dentist, etc). It is vital for all staff to be educated in pain management and pain management techniques.

Disclosure of Faculty/Committee Member Relationships

It is the policy of the NMLPDC that all CME planning committee/faculty/authors disclose all relationships with an ineligible company. Disclosure documents are reviewed for relevant financial relationships and, if identified, they are mitigated prior to confirmation of participation.
